Enrolment conditions

To be able to enroll in the study programme Intercultural Business Communication, the candidates have to fulfil the following requirements:

1. Bachelor's degree or equivalent;
2. Knowledge of English language at advanced level (according to the Common European Framework of Reference for Languages – CEFR, level C1);
3. Knowledge of French or Arabic or Italian at intermediate level (according to the Common European Framework of Reference for Languages – CEFR, level B1);
4. At least 16 ECTS or equivalent in courses related to economy, business, management or marketing).

The candidates who graduated from the study programmes that do not meet the criteria mentioned above (item 4) must prove the knowledge through examination. The examinations will be performed in **August and/or September 2020**.

In the case of the limitation of enrolment, the students will be selected in accordance with the following criteria: grade point average – 100% of the study programme, the degree of which serves as the basis for enrolment.

The EMUNI University commission reserves the right to test the candidates' language knowledge. Candidates, who are not English native speakers or did not do their previous degree in the English language, must prove their English language knowledge with a certificate of C1 level knowledge of the English language, according to the CEFR. The same applies for the Arabic (B1 level) and French (B1 level) language knowledge. The students who do a part of their studies at University of Urbino have to prove their knowledge of Italian knowledge (B1 level) according to the same provisions.

If needed, the authorized person conducting the procedure of recognition for foreign degree is allowed to require additional evidence of foreign education in question.

Number of enrolment places

IBC	Part-time
1 st year	30

Enrolment places are available for citizens of the Republic of Slovenia and EU member states, Slovenians without Slovenian citizenship and foreigners (citizens of non-EU members). Information on the recognition procedure is available at the EMUNI website www.emuni.si or at +386 59 25 00 57.

Procedures – enrolment, application and deadlines

The candidate must submit the enrolment application through the electronic application at the eVŠ portal <http://portal.evs.gov.si/prijava/?locale=en>. The candidate may submit one application.

If the candidate is applying:

1. without a qualified digital certificate (with username and password), the enrolment application form must be sent electronically to eVŠ, printed out, signed and sent, including the enclosures, via registered mail by the end of the application deadline to the EMUNI address.
2. with a qualified digital certificate, it is not needed to send the printed-out form via regular mail. The enrolment application must be submitted to eVŠ by the end of the application deadline. The enclosures to the application for which the candidate notes in the application that he or she will send via regular mail must be sent with registered mail to the EMUNI University address (the enclosure must include the reference of the number of the enrolment application).

As submitted in due time qualify:

1. application which was filled in in the eVŠ, printed out in the same text as that of the last submitted form of eVŠ, signed and sent via registered mail to the EMUNI address by the end of the application deadline, and
2. application which was filled in and submitted with electronic signature to eVŠ by the end of the application deadline.

Application and enrolment deadline:

The **first application period** is between **30 March and 12 July 2020**.

The **accepted candidates from the first application period** will be requested to **enroll until 19 July 2020**.

If the number of applicants/accepted candidates will be lower than the number of offered enrolment places, the **second application period** will be opened from **20 July to 6 September 2020**.

The **accepted candidates from the second application period** will be requested to **enroll until 13 September 2020**.

If the number of applicants/accepted candidates will be lower than the number of offered enrolment places, the **third application period** will be opened from **14 September to 23 September 2020**.

The **accepted candidates from the second application period** will be requested to **enroll until 30 September 2020**.

Recognition of knowledge and skills acquired prior to enrolment into the programme

The candidates and students may apply for the recognition of knowledge and skill acquired prior to enrolment through different forms or formal and/or informal education. For this purpose, they may submit an application to EMUNI University prior to or after their enrolment in the study programme. Enclosed with the application should be a study certificates and other documents proving the content, extent and complexity of education.
