

OER-CODEX Project | Final Conference

14 January 2025 | Piran, Slovenia & Online

Dear Partner, Dear Colleague,

We are pleased to invite you to the **OER-CODEX Final Conference**, which will be held on January 14, 2025, in Piran, Slovenia, and online. Hosted by EMUNI University, this event will showcase the outcomes of the OER-CODEX project, highlighting the development and sustainability of Open Educational Resources (OER) as a cornerstone of the Open Science movement and their role in advancing Virtual Collaborative Learning (VCL).

This conference offers a unique opportunity to connect with experts and professionals in the field, discover the achievements of the OER-CODEX project, and engage in thought-provoking discussions about the future of OER in collaborative educational settings.

We invite you to register for the Final Conference [HERE](#). You may join us either in person or online, depending on your preference.

We look forward to welcoming you to this exciting event and to your valuable contributions to the discussions!

Best regards,

The EMUNI University, OER-CODEX Project Team
