

What is OLS – Online Language Support?

OLS (Online Language Support) is a free online tool offered by the European Commission to Erasmus+ participants to help them improve their **language skills** in the main language they will use during their studies, internship, or training abroad.

◆ What does OLS offer you?

- A **language assessment** before and after your mobility – to help you evaluate your progress (not graded, does not affect your grant).
 - Access to a **personalized online language course** – available before and during your mobility, including interactive lessons and exercises.
 - Option to **learn an additional language** spoken in your host country (e.g. French, Spanish, Portuguese), besides your main language of mobility.
-

◆ Why is OLS useful?

- Helps you **integrate more easily** into the academic or work environment abroad.
 - Increases your **confidence in everyday communication**.
 - Enhances your **employability** by developing your language skills.
 - It is **free of charge** and easy to use.
-

◆ Who can use OLS?

- Erasmus+ students (study or traineeship),
- Staff, apprentices, and volunteers participating in Erasmus+ or the European Solidarity Corps.
