

Call for Erasmus+ Traineeships — January & February 2026 - Slovakia

We are excited to announce that new Erasmus+ traineeship opportunities are now available for start dates in January and February 2026! These placements offer students the chance to gain valuable international work experience in Slovakia and to develop skills that will support their academic and professional growth.

Find a Traineeship That Fits You

Students are invited to browse the available opportunities. If none of the current positions match their interests, customized traineeships can be arranged based on their study field, skills, and expectations.

How to Apply

1. Visit placementslovakia.com
2. Register and create a profile
3. Fill in your search criteria
4. The team will contact you with positions tailored to your goals

Why Apply?

- High-quality international work experience
- Professional development in a multicultural environment
- Support throughout the entire traineeship process
- A welcoming and safe stay in Slovakia

If you have any questions or need further assistance, assistance is available. We look forward to welcoming students to Slovakia soon!
